For Immediate Release:

The Barren County Cattlemen's Association announces their scholarships for 2013. The association has two different scholarships available for students pursuing an agriculturally related field of study. The scholarships were developed to honor two prominent cattlemen in Barren County.

The [Eldon C. Berry Memorial Scholarship](#) offers a \$ 500.00 scholarship for a freshman or a sophomore in a post-secondary school.

The [Dr. J. J. Crouch Memorial Scholarship](#) will also award a \$500.00 scholarship to a student pursuing an agriculturally related field of study. Preference will be given to students pursuing animal science careers (especially large animal health careers) and whose family owns a cow herd in Barren County. This Award will be given to a student enrolled as a freshman or sophomore in a post-secondary school.

Applications for both are available at Barren County Ag Department, area high school counselor's offices or by contacting the Cattlemen's Association. Deadline for applications is May 10, 2013.
